SPRING 2026 RECRUITING EVENTS

Below are descriptions of events that are available to employer partners. Connect with a member of the Employer Relations team to learn more.

Career Fairs

Our signature recruiting events connect you with UNCG students of all majors, as well as alumni, to help meet your hiring goals. Career Fairs offer a high-impact way to recruit top Spartan talent for internships, part-time roles, and full-time positions, while also increasing your brand visibility on campus.

Employer Panel & Networking

Held on campus from 4 to 5:30 p.m., these events feature a moderated panel of 3 employers highlighting a specific career pathway. The panel is followed by speed networking and light refreshments.

Eligibility: Employers are invited based on student survey feedback and prior participation in signature recruiting events. Current opportunities must be posted in Handshake for students to apply.

Employer Workshops (Virtual)

Employers are welcome to host virtual workshops through Handshake and invite UNCG students to learn more about their organizations and opportunities. Please visit the [Handshake Quick Links](#) section of our webpage for assistance in setting up these events.

Note: Once your event is set up, we will approve for students to view and pre-register. Please reach out to our Employer Relations team to help promote your event.

Commons Connect Employer Tabling

Held on select Wednesdays from 11 a.m. to 2 p.m., tabling takes place in the EUC Commons, UNCG's busy student union located near the bookstore and food court. Up to three employers may participate per session.

Eligibility: Employers must have active job or internship opportunities posted in Handshake.

Nursing Recruiting Tabling

Targeted for healthcare employers recruiting Nursing majors, tabling sessions are held in the Nursing & Instructional Building on select Wednesdays from 11:30 a.m. to 1 p.m.

Eligibility: Employers must have current full-time openings and/or externships specific to Nursing majors.
